

**WIRELOGIC SMART SURGE 10 (MODEL #: WLPOWER10)**

**THE QUEST GROUP PRODUCT LIMITED LIFETIME WARRANTY**

The Quest Group warrants to the original purchaser of any The Quest Group WireLogic Smart Surge with a product limited warranty for the life of the product that the WireLogic Smart Surge shall be free of defects in design, assembly, material, or workmanship, and will repair or replace, at its option, any defective product free of charge.

**THE QUEST GROUP CONNECTED EQUIPMENT PROTECTION WARRANTY**

The Quest Group warrants to the original purchaser of any The Quest Group WireLogic Smart Surge 5 years of connected equipment. Up to \$350,000.00 from the date of purchase The Quest Group will repair or replace, at its option, any equipment which is damaged by a transient voltage surge/spike or lightning strike, (an "Occurrence"), while properly connected through The Quest Group WireLogic Smart Surge to a properly wired AC power line with protective ground.

**EQUIPMENT WARRANTIES**

The fair market value of the equipment shall be the current value of the equipment specified in the most recent edition of the Orion Blue Book by Orion Research Corporation. Subject to all terms and conditions contained here. This warranty in no way guarantees the recovery of lost data on your hard drive. The Quest Group reserves the right to review the damaged The Quest Group WireLogic Smart Surge, the damaged equipment, and the site where the damage occurred. All costs of shipping The Quest Group WireLogic Smart Surge and the damaged equipment to The Quest Group for inspection shall be borne solely by the purchaser. The Quest Group reserves the right to negotiate the cost of repairs. If The Quest Group determines, in its sole discretion, that it is impractical to ship the damaged equipment to The Quest Group repair center, The Quest Group may designate, in its sole discretion, an

equipment repair facility to inspect and estimate the cost to repair such equipment. The cost, if any, of shipping the equipment to and from such repair facility and of such estimate shall be borne solely by the purchaser. Damaged equipment must remain available for inspection until the claim is finalized. Whenever claims are settled, The Quest Group reserves the right to be subrogated under any existing insurance policies the claimant may have. All above warranties are null and void if The Quest Group WireLogic Smart Surge in use during the Occurrence is not provided to McCusker & Company for inspection upon McCusker & Company request at the sole expense of the purchaser, McCusker & Company determines that The Quest Group WireLogic Smart Surge has been improperly installed, altered in any way or tampered with, McCusker & Company determines that the damage did not result from the Occurrence or that no Occurrence in fact took place, the repair or replacement of the damaged equipment is covered under a manufacturer's warranty, or The Quest Group determines that the connected equipment was not used under normal operating conditions or in accordance with any labels or instructions. All The Quest Group WireLogic Smart Surge must be plugged directly into the power source and must not be "daisy-chained" together in serial fashion with other power strips, UPS, other surge protectors or extension cords. A three-to two-prong adapter may not be used. Any such installation voids the warranty. The Quest Group Connected Equipment Warranty only protects against damage to properly connected equipment where The Quest Group has determined, in its sole discretion, that the damage resulted from an Occurrence, and does not protect against acts of God (other than lightning) such as flood, earthquake, war, vandalism, theft, normal-use wear and tear, erosion, depletion, obsolescence, abuse, damage due to low voltage disturbances (i.e. brown outs or sap), non-authorized program, or system equipment modification or alteration. If you are using The Quest Group WireLogic Smart Surge only that does not have phone, network, or coaxial protection, the warranty is null and void if a power disturbance damages your equipment through the phone, network, or coaxial lines. You are only covered if the disturbance entered through the AC lines. Please note: This product is not for use with aquatic items like aquariums and other water product classes and or all other water-related products. Generators and sump pumps are excluded for use with this product. Use only indoors and in dry locations.

This warranty contains the sole warranty of The Quest Group, there are no other warranties, expressed or, except as required by law, implied, including the implied warranty or condition of quality, merchantability or fitness for a particular purpose, and such implied warranties, if any, are limited in duration to the term of this warranty.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. In no event shall The Quest Group be liable for incidental, special, direct, indirect, and consequential or multiple damages such as, but not limited to, lost business or profits arising out of the sale or use of any The Quest Group WireLogic Smart Surge, even if accused of the possibility of such damages.

This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitations may not apply to you.

This warranty is valid only for the original purchaser of the product. All damage claims against the product must be made within fifteen (15) days from the date of the occurrence and must be accompanied by a receipt for the damaged equipment or the warranty is void. Warranty is valid in USA, Canada, and Puerto Rico.

### **BASIC INSTALLATION INSTRUCTIONS FOR THE QUEST GROUP WIRELOGIC SMART SURGE**

#### **POWER CONNECTIONS**

The Quest Group WireLogic Smart Surge should only be plugged into a grounded outlet. All connected equipment should be plugged directly into The Quest Group WireLogic Smart Surge. Using any extension cord in conjunction with The Quest Group WireLogic Smart Surge will void all The Quest Group.

#### **LED INDICATOR LIGHTS**

The "protected" or "surge" light should be on when the power switch is turned on. If this light goes out at any time, it means that The Quest Group WireLogic Smart Surge was sacrificed to protect your equipment and should be replaced.

The "ground" light (certain models) should be on. If this light is off, you may have a ground-wiring problem in your home and you should contact an electrician to properly ground the outlet. Connecting a The Quest Group WireLogic Smart Surge to an improperly grounded outlet will void all The Quest Group warranties.
